European Team Selection Criteria

This memo sets out the eligibility and selection criteria for players to be members of the European team for the 2024 Solheim Cup tournament (the “**2024 European Team**”). Unless otherwise defined, capitalised terms used in this memo shall have the meaning set out in paragraph 4.

1. Eligibility Criteria

- 1.1 To be an “**Eligible Player**” for selection to be a member of the 2024 European Team, a player must:
- (a) be a current full member of the Ladies European Tour (the “**LET**”) in any class or category of membership at the time of selection and must retain their membership of the LET until the end of The 2024 Solheim Cup tournament. Non-members of the LET or players that lose their LET membership status prior to the commencement of The 2024 Solheim Cup tournament are not eligible for selection;
 - (b) have played in 8 (eight) Ranking Events (excluding the Excluded Championships) during the Qualifying Period as a member of the LET, unless the relevant player has been selected by the appointed captain for the 2024 European Team (the “**Captain**”) pursuant to paragraphs 2.1(c) or 2.2 below. In the event that a player is selected as a Captain’s pick pursuant to paragraphs 2.1(c) or 2.2 below, that player will still be required to satisfy the eligibility criteria set out in paragraphs 1.1(a) and (c). The Captain’s pick criteria shall only exempt the relevant player from having to play in the minimum number of Ranking Events set out in this paragraph 1.1(b); and
 - (c) be a European national for the duration of the Qualifying Period and until the end of the 2024 Solheim Cup tournament. For the purposes of this paragraph 1 and the selection criteria, to be a European national, the relevant player must satisfy the criteria set out in the “Nationality Policy” issued by the IGF (as amended from time to time by the IGF). A copy of the IGF’s “Nationality Policy” as at the date of this memo is attached at Appendix 1.

2. 2024 European Team Selection Criteria

2.1 The 2024 European Team will consist of 12 Eligible Players, who shall be selected as follows:

- (a) the top 2 Eligible Players on the LET Solheim Cup Points ranking at the end of the Qualifying Period, based on LET Solheim Cup Points accumulated from all Ranking Events during the Qualifying Period. In the event of a tie (equal points), placings shall be determined in favour of the player with the higher ranking on the Rolex Women's World Rankings at the end of the Qualifying Period; and
- (b) the top 6 Eligible Players appearing on the Rolex Women's World Rankings at the end of the Qualifying Period who are not already qualified under (a) above. In the event of a tie (equal points), placings shall be determined in favour of the player with the higher ranking on the LET Solheim Cup Points ranking at the end of the Qualifying Period; and
- (c) a further 4 Eligible Players selected by the Captain.

2.2 In the event that any Eligible Player is selected to be a member of the 2024 European Team and:

- (a) sustains an injury or becomes ill or is otherwise unavailable to play for the 2024 European Team (which shall be determined by LET in its absolute discretion); or
- (b) engages (whether before or after the selection) in any conduct, behaviour, practices or arrangements which may bring The Solheim Cup, the LET or the sport of golf into public disdain or disrepute (which shall be determined by LET in its absolute discretion),

in each case, the relevant player will be replaced by an Eligible Player who is selected from the Captain reserve list which will be determined at the end of the Qualifying Period.
