

Clause 4.1(g) of the CONGU® *UHS* gives Scottish Golf authority to determine the Competitions that may be recognised for Handicapping Purposes. Scottish Golf has decided that the events listed below shall be recognised as *Qualifying Competitions* by Handicapping Authorities in Scotland. The following Notes 1-6 apply to Scottish Golf Qualifying Competition listings below.

Note 1

To be recognised as a *Qualifying Competition* the event must be covered under one of the categories on Scottish Golf's *Qualifying Competitions* lists and satisfy the requirements of the Definitions of *Competition Play Conditions* and *Qualifying Competition* within the CONGU® *UHS*.

Note 2

Organisers of events covered within the Category A & Category B *Qualifying Competition* listings **must** display a notice advising competitors:

- a) If, for any reason, the event is not a *Qualifying Competition* for handicapping purposes, prior to commencement of play. (e.g. it is not being played over a measured course);
- b) Of the *CSS* as determined by Clause 18 of the *UHS* as soon as possible.

Note 3

Organisers of events within Category B on the *Qualifying Competitions* listings below must ensure that:

1. The event is played over a *Measured Course* as defined in the CONGU® *UHS*.
2. The *CSS* is correctly calculated in accordance with Clause 18 of the CONGU® *UHS*.
3. The event complies with all the criteria for a round to be qualifying in accordance with the CONGU® *UHS*.

Note 4

All Clubs at which a player is a member, Clubs staging Open *Qualifying Competitions* and organisers of events in Category B are **requested** where practicable to send score, *CSS* and Stableford / Nett Double Bogey (Clause 19) adjustment details to the *Home Club* of all competitors, preferably via the Scottish Central Database of Handicaps

Note 5

Events played outside Great Britain & Ireland, including those directly organised by or under the auspices of the National Federation controlling golf in that country will not be accepted as “Qualifying Competitions” for handicapping purposes. However, this does not preclude the scores being used as a contributory element in any adjustment of handicap made under Clause 23 of the System.

Note 6

Organisers of events wishing to be considered for inclusion in this list should apply to Scottish Golf prior to 30 November for inclusion in the list for the following year. Organisations already authorised under Category B do not need to re-apply annually. Organisations no longer wishing to host *Qualifying Competitions* should notify Scottish Golf as soon as possible. Scottish Golf reserves the right to remove any Organisation from the *Qualifying Competition* listings if it has not fulfilled its responsibilities under the CONGU® *UHS*, or the above Clauses.
