

COURSE MANAGER

Designed by Alister MacKenzie (Augusta National and Cypress Point among many others), the course is set in Pollok Country Park's secluded mature woodland and overlooked only by the magnificent Pollok House.

The golf club is entering an exciting period in its history with a review of all business activities currently underway and centring on the golf course with plans to significantly improve playing conditions for members and visitors.

We are seeking a highly motivated, imaginative, forward thinking individual to lead and develop our team of professional greenkeepers. He / she should be committed to their Continuous Professional Development with a keen interest in ongoing education, both personally and for the team. He / she will be a good communicator, strategic planner and have good social media skills.

The successful candidate will be responsible for the greenkeeping budget, course decisions and will be an integral part of the Club management team.

Pollok Golf Club offers an attractive salary including both a bonus scheme and benefits.

Applications should be submitted in writing with your CV to our General Manager, Daryn Cochrane, by emailing manager@pollokgolf.com with a closing date of 31st March, 2020.
