1. Eligibility

The R&A Scottish Golf 9-Hole Challenge is open to all members of Scottish Golf affiliated clubs who meet all the following criteria:

- Are of amateur status as defined by R&A Rules Limited.
- Are in possession of a WHS Handicap Index.
- Have been identified by their golf club as the top available pair from their club qualifying round.
- Only represent 1 golf club at the National Final. Members of more than 1 club may compete in qualifying competitions at each affiliated club where they are a member but may only represent 1 golf club should they qualify for the National Final.

2. General

- Club qualifying rounds are run in accordance with R&A Rules of Golf and in conjunction with the club's own local rules. The Grand Final will be run in accordance with the R&A Rules of Golf and in conjunction with the Scottish Golf Hard card and any amendments published by Scottish Golf at the venue.
- All clubs are invited to hold 9-Hole handicap qualifying competitions. Qualifying competitions may be standalone or attached to an existing 9-Hole handicap qualifying fixture.
- [Ready Golf](#) will be encouraged at all stages of the championship.

3. Format

Club Qualifying

- All stages will be played as 9-Hole stableford played on 1 day and will be handicap qualifying.
- Event contested in pairs which may be male, female or mixed but only include a maximum of 1 U18 player.
- Pairs must be nominated before play and if in same group must not give advice or mark each other's card.
- A player's 9-Hole playing handicap will be calculated by your club's competition software using the formula:

9-hole Course Handicap = (Handicap Index/2) x 9 hole Slope Rating/113 + 9 hole Course Rating-9 hole par.

Playing Handicap=9 Hole Course Handicap x handicap allowance (95%)

As the calculation for the 9-hole Course Handicap has already included an adjustment for CR-Par, the Stableford points result for each player is directly comparable against that of every other player, regardless of the tees used. So, for competition purposes the standard Playing Handicap calculation in Rule 6.2a is applicable.

- The team score is calculated from the combined stableford points of both players.
- The committee is responsible for running the qualifying round and deciding ties at their club.
- The first 200 entries received (1 pair per club) will qualify for the National 9-Hole Final at Dundas Park Golf Club on either Thursday 09 June or Friday 10 June 2022. If over-subscribed a waiting list will be created based on time of entry.

National Final

- In the event of a tie at the National Final, the qualifiers and ordering of subsequent reserve places will be decided by card count back based on the team stableford scores over the last 6 holes (or 3 or 1). If a tie still arises a card play-off from the 1st hole will apply, failing which; the qualifiers and subsequent reserve places will be decided by lot.
- If, in the opinion of Scottish Golf, it becomes impossible to complete a championship in accordance with that championship's Terms of the Competition, because of adverse weather or other circumstances, Scottish Golf reserves the right to amend the championship format to the extent necessary to achieve a result within the time available.
- All disputes will be decided by Scottish Golf whose decision will be final.
- The leading 2 pairs from each qualifying day at the National Final will advance to the 9-Hole Grand Final which will take place at St Andrews, Old Course on Friday 8 July 2022. All Grand Final related correspondence will be communicated via the R&A directly.

4. Entries

- All entries must be completed individually by the closing date and the 'partners name' included in the notes section of each entry.
